

Safety Data Sheet

1. IDENTIFICATION OF THE SUBSTANCE, PREPARATION & COMPANY/UNDERTAKING: CHEMICAL PRODUCT AND COMPANY IDENTIFICATION

Product Name and Description: #2017, Blitz Wipes

Revised: 4

Date: 16 December 2015

By: RRS

Manufacturer

Blitz Manufacturing Corporation
263 America Place
Jeffersonville, IN 47130

Contact Numbers

Information 8:00 AM to 4:30 PM EST M-F
Phone 1-812-284-2548
Fax 1-812-288-7766
24 Hour Emergency: Local Poison Control Center

2. COMPOSITION AND INFORMATION ON INGREDIENTS

Hazardous Components:

The active ingredients, with which these cloths are impregnated, are not hazardous and are a proprietary composition without hazardous ingredients. (Not listed on hazardous lists). The cloths are made of a proprietary polyester composition and special proprietary cleaning agents.

There are a number of wipes (count and size may vary according to packaging information) and are contained in a paper carton.

The #2017, Blitz Wipes product, contains no known hazardous or regulated substance.

The active agent with which this cloth is impregnated is a non-hazardous and proprietary composition by 29 CFR 1910.1200 and not listed in Article 12, Directive 88/379/EEC.

3. HAZARDS IDENTIFICATION

Emergency Overview: Non-hazardous, cloth, in a plastic dispenser. The cloth may come in a variety of colors. The canister may come in a variety of shapes and sizes.

Potential Health Effects:

Eyes: May cause mild irritation if rubbed directly in eyes.

Skin: May cause mild irritation in individuals with a history of dermatological problems or other sensitivity.

Inhalation: Cloth cannot be inhaled. Keep small units of cloth away from children. Canister may contain small parts which should be kept from small children.

Ingestion: Cannot be ingested by accident. Cloth should not be chewed by anyone, especially not an infant. Keep any small units of cloth and small parts from children.

Risk Phrases: None

Signal word: None

4. FIRST AID MEASURES

Eyes: Flush gently with potable water for 10-15 minutes. If redness persists, see a physician or ophthalmologist.

Skin: Wash skin with water and, if necessary, a mild dermatological soap. If redness develops seek a physician or dermatologist.

Inhalation: If small parts are inhaled, contact emergency medical personnel immediately.

Ingestion: Contact physician immediately, especially if an infant is involved.

5. FIRE FIGHTING MEASURES

Flash point: >212 F.

Extinguishing media: Whatever surrounding fire requires.

Special fire fighting procedures: as with any cloth or plastic material

Fire and explosion hazard: none.

Combustion products: steam (water) and carbon dioxide.

6. ACCIDENTAL RELEASE MEASURES

Dispose of in a sanitary manner. Packaging may be recyclable in your area.

7. HANDLING AND STORAGE

Keep stored in a cool, dry place. Keep out of reach of children. Container may contain small parts.

8. EXPOSURE CONTROL AND PERSONSAL PROTECTION

Gloves can be worn. Some blackness may occur when metal is rubbed. This may not wash out of some fabrics.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance: dry and treated polishing cloths in a convenience paper dispenser

Typical use: Multiple disposable treated wipes contain a non-toxic, non-abrasive media which cleans silver, platinum, gold. Packaged in a recyclable paper container.

Odor: none.

Specific gravity: N/A

Boiling point: N/A

Freeze point: N/A

Solubility in water: not recommended

pH: N/A

VOC's: None

(Nutrient value: non-existent. Not created for ingestion. Choking hazard.)

10. STABILITY AND REACTIVITY

Stable.

Inert, but do not wash or boil as this will render the special treatment ineffective. Do not mix with any other chemical or cleaning material as this will render the product ineffective and may damage your delicate stones.

This product is not to be used on laminated or lacquered silver, 24 karat gold, or soft and porous stones.

11. TOXICOLOGICAL INFORMATION

No toxicological data has been generated for this material. It is non-toxic and non-hazardous. It contains no ingredients which are known to be detrimental.

Carcinogens: None known, none listed by OSHA, IARC, or other agencies.

Chronic: None known. No health effects from long term exposure have been noted.

Acute Values: None have been reported, or known.

12. ECOLOGICAL INFORMATION

This product has never been found to present environmental or ecological problems. Use according to instructions. Dispose of in a sanitary and responsible manner. It contains no ingredients which are known to be detrimental. The container may be recyclable.

Aquatic Toxicity: None known. Not biodegradable. Item may be a choking hazard if ingested by aquatic life. Cloth may remain in an aquatic environment for a significant time and is unlikely to degrade. Do not discard except in normal trash receptacles. Do not discard to the environment.

Terrestrial Toxicity: None known. Cloth may remain in terrestrial environments indefinitely. Not degradable. Do not discard except in normal trash receptacles. Do not discard to the environment.

Degradability: Carton may degrade. Cloths will not degrade.

13. DISPOSAL CONSIDERATIONS

Packaging may be recyclable in your area. Do not recycle cloth, do not wash. Dispose of in a sanitary manner.

14. TRANSPORT INFORMATION

See bill of lading for appropriate DOT regulations.

No UN number assigned.
Harmonized Code: 6307.10.1090

15. REGULATORY INFORMATION

This product is not regulated and is not toxic

16. OTHER INFORMATION

Refer to the product label for instructions, cautions and directions.

Reason for update: Addition of harmonized code to section 14, additional physical description. Updated information to meet current format.

Some "S" phrases are listed for reference in sections above. This MSDS is written to the best knowledge and practices known to the manufacturer. Directives consulted: 88/379/548/EEC; 79/831/EEC; 29 CFR 1910; 30 CFR 47 sub F; 40 CFR 370 and others.
